

A Major Academic Plan (MAP) is one way to complete a degree in a set number of semesters. The *example* below is only one strategy. Actual plans for individual students will vary based on advisor recommendations and academic needs. Official Program Requirements including Major, General Education, Electives, and university requirements (see pg.2) are based on Catalog Year.

Advising Notes			MAP Completion Status (for internal use only)	
If a student is pursuing the ADRN program, they will need to complete two semesters of Anatomy and Physiology. We strongly recommend that students work with their advisors to fulfill this requirement.			Date	
			CAA or COT:	SF 4/12/2023
This is a competitive program with specific admission requirements. Please meet with your Academic Advisor to discuss the process
